## **EXPRESSION OF INTEREST**

Bharat Pumps & Compressors Ltd., (A Public Sector Undertaking under the control of Ministry of Heavy Industries & Public Enterprises, Govt. of India), a Miniratna Company was incorporated in 1970 with manufacturing facility at Naini, Allahabad. The company is engaged in manufacture and supply of heavy duty pumps & compressors and high pressure seamless and CNG gas cylinders / cascades to cater the needs of oil exploration & exploitation, refineries, petro-chemicals, chemicals, fertilizer and down stream industries. BPCL has unique distinction of manufacturing all the three types, reciprocating compressors, reciprocating pumps and centrifugal pumps under one roof.

These products are being manufactured and supplied to all the major petro-chemicals & refineries and also to ONGC, Oil India Ltd. and various private sector customers.

We are exploring forging and casting vendors from other countries who can supply good quality castings and forgings in cast iron, carbon steel, stainless steel for various components of our pumps and compressors along with vendors for finished product for some of components for our triplex mud pumps used for drilling service like finished crank shaft(forged and fabricated), finished set of gear & pinion, liners ,piston assembly, valve components etc.

Further for evaluation / assessment of castings/ forging suppliers of foreign origin we are looking for reputed agencies who can do the technical/ financial evaluation of such vendors as per our requirement. Probable vendors will be from China, Korea or other country.

We are seeking separate expression of interest from Indian as well as foreign vendors/agencies for following:

1. Suppliers of castings and forgings as per above requirement.
2. Agencies engaged in the work of vendor evaluation and having experience in evaluating casting/ forging vendors. Agencies having liaison/ branch offices in foreign countries will be preferred.

Interested suitable casting forging vendors and agencies engaged in evaluation job to respond with details of their set up, past experience and quotation by 10.10.2012 positively.
